Dear Sir:

We received the other day a package of Napoleonic material which you sent over as per our request of October 8th. I had my assistant check through your catalog and found on the arrival of the pieces that there were several items we already had, which I am returning herewith. I deeply regret making this mistake and causing this hardship on your part. We have this day directed our bank to mail you a draft for M. 222 Pf. 13.

In your letter of October 21st, we note that you offer several more pieces. We have checked these off, and you may send us Nos. 1, 3, 5, 6, 7, and 8. We do not care for items 2 and 4.

We are returning to you herewith Nos. 3703, 3704, 3713, 3717, 3721, and 3726..

Mr.
R.Robertson
NEW-YORK

Sehr geehrter Herr Robertson,

Aus Ihrem letzten Schreiben ersah ich, dass Ihre Brakteantensammlung in den Besitz der American Numismatic Society übergegangen ist.Sie haben dadurch die Genugtuung, dass Ihr wissenschaftliches Sammeln volle Anerkennung gefunden hat und Ihre Sammlung nun der Allgemeinheit dient. Besonders erfreulich ist es, dass unser Präsident Mr. Newell die Mittel beisteuert, die Sammlung würdig zu vermehren.

Ich lasse Ihnen daher Ihrem Wunsche entsprechend heute wieder eine Sendung von Brakteaten zugehen. Hierbei habe ich besonders die Gebiete Thüringen, Quedlinburg, Pegau, Falkenstein etc. berücksichtigt und schicke Ihnen nur ausgewählte Exemplare von grosser Schönheit, welche der Sammlung unserer Gesellschaft zur Zierde dienen können.Ich überlasse die Auswahl natürlich ganz Ihnen und nehme Stücke die Sie nicht behalten wollen gerne wieder zurück.

Im Januar werde ich eine alte rheinische Sammlung von mittelalterlichen und neuzeitlichen Münzen versteigern, welche eine grosse Anzahl schönster und seltenster Brakteaten enthält. Sie werden den Katalog rechtzeitig erhalten und können danach Ihre Auswahl treffen.

Der Scheck von RM. 212.- für die zuletzt behaltenen Brakteaten ist richtig eingetroffen und ich danke Ihnen für die Vermittlung.

Der kleine Brakteat mit dem Königsbrustbild zwischen zwei Ringeln im Perlkranz, dessen Photografie im Briefe eingeklebt war, ist ein Gepräge des Königs Konrad IV. 1250- 54 aus der Reichsmünzstätte zu Ulm, Archiv T. 57,6, eine ziemlich häufige Münze.

Als Mitglied der Numismatic Society bin ich gerne bereit für dieselbe alle diejenigen Münzen zu bestimmen, deren Entzifferung Ihnen schwerfällt. Das Gebiet der deutschen Mittelaltermünzen ist freilich ein sehr grosses und schwieriges und die Arbeit,nach Ihren oft wenig klaren Photografieen, die Stücke zu bestimmen, keineswegs einfach. Sie würden mir dieselbe sehr erleichtern, wenn Sie mir in künftigen Fällen, die Originale selbst mit den Returen meiner Sendungen hierherschicken würden. Nach denselben lässt sich viel besser und präziser arbeiten. Ich lege Ihnen ein Verzeichnis mit der Nummerierung der photografierten Stücke bei und meinen Erklärungen, soweit ich solche nach den Photografieen geben kann. Ich hoffe, dass Ihnen mit diesen Erklärungen gedient sein wird.

Für heute mit freundlichen Grüssen

Ihr

Julius Cahn

The American Numismatic Society

New York

Dear Gentlemen:

I sent you a few days ago the catalogue of my next sale in March 14th which contains a fine series of Napoleonic medals. The numbers are mentioned in the index as » Napoleoniden and the French Revolution » and there are amongst them a few not known by Bramsen f.in. the № 552 tinmedal with the Arc de Triomphe; № 987 original iron medals of Frederic William and Queen Luisa in brown frame; № 991 the iron original plaque 1814 on the entry of the King of Prussia and other interesting medals. The approximative estimations are joined to the catalogue.

As I hope that you will find in this sale a few pieces fit for your collection I beg to ask if I may send the Dalberg medal 1807 Bramsen 2202 together with your eventual acquisitions. You asked about this medal in your favour of October 10; it has been registered in my catalogue № 27 with fixed prices and had already been sold. Now I got another specimen and beg to offer it to you in first line.

To-day I got a letter of Mr Noe that the dues of 1927 and 1928 are not yet paid by Dr. Julius Cahn. I beg to excuse this

oversight and I enclose herewith $ 10.- for these two years.

May I beg you to give receipt?

Very truly yours

March, 17 th 1930.

Dear Sir,

I herewith beg to send you the German bracteates I mentioned in my letter. They are the best selected specimens out of an old private collection, all in fine condition. It is really an opportunity to bring the collection of the Numismatic Society to an high standard in this most interesting field of numismatics. If you will keep the whole or the greater part of them, I will accept your proposition to defer payment until June or July.

Seeing forward to the pleasure of reading you

Yours very truly

Dear Sir:

First, I wish to apologize for the delay in letting you know what our intentions were concerning the bractoates you sent us in March. At the time we were very busy moving into our new building.

For the past few months we have been trying to interest several of our wealthier members with a view to purchasing the pieces we desire, but on account of the bad condition of the stock market, we have not been very successful. However, we shall possibly keep about half of the number you sent, but we cannot be sure just yet. We have also tried to sell those pieces in which we are not interested, but have had poor success. As we do not wish to retain these pieces any longer, we have to-day sent them to you in three registered packages. A list of these is enclosed.

Herewith is also a checque for $200., this being a first p rtial payment. If we succeed in raising more money we shall probably keep all those not returned, but there is a possibility that later on, we shall have to return a few more.

Thanking you for sending these pieces to us, and for your courtesy in the matter,

Very truly yours,

Curator

Dear Sir:-

with best thanks I acknowledge receipt of your favour of June 26th containing check for $ 200.- as first partial payment for the bracteats kept by you.

I also received all the pieces you mentioned on your list as returned to me and found it in order.

It is comprehensible that by these circumstances of oeconomic depression you could not find means to keep the whole invoice, but I hope you will be able to purchase the pieces still in your hands. It is really a most favorable occasion to enlargen this most interesting section of your collection.

Very truly yours

Dear Gentlemen,

I thank you very much for the publications of our society you sent on my desire. There are very wellcome to complete my library. Mostly I am pleased to possess the publication of the " Mende Hoard " by Sidney P.Noe.

I quite agree with you that I have to pay for the three numbers published before I became an associate member. Will you please deduct the sum of $ 6.80 from the rest of the bill you still ow to my firm. That is the quite satisfactory solution for me.
